SAB10 NTS

CUTAWAY ACOUSTIC BASS WITH PREAMP

The Soundsation SAB10 NTS **4-string acoustic bass** with **cutaway** design offers an excellent combination of playability and versatility. Equipped with a **preamp with built-in tuner**, it ensures precise control of the sound in both acoustic and amplified.

The **spruce top** offers superior resonance, giving you warm, deep timbres ideal for any musical genre, while **rosewood** fingerboard and bridge embellish the instrument.
