

VIRTUOSO R03

ROSIN FOR BOWED INSTRUMENTS ROUND SHAPE WITH CLOTH

Soundsation Rosin VIRTUOSO R03 is a natural vegetable rosin safe and environmentally friendly with a circular shape. Suitable for use on stringed instruments. With its typical transparent yellow color and excellent consistency, the Soundsation Rosin product allows you to prepare the bow in such a way as to obtain perfect friction on the strings. It is contained in an elegant circular package together with a soft cloth. This rosin is all natural, hypoallergenic, and designed to be non-aggressive on the bow and strings.
