

JUKEY-610

61-KEY PIANO-TYPE ARRANGER KEYBOARD

The Soundsation JUKEY-610 keyboard is perfect for beginners who want to start playing.

JUKEY-610

Equipped with 61 piano-type keys, 300 different sounds, 300 accompaniment rhythms and 80 demo songs, this keyboard allows the user to play different musical genres while having fun.

Some of the functions that the JUKEY-610 is equipped with, such as DUAL , SPLIT and recording are normally found in larger keyboards so that users can expand their creativity.

You can also add a sustain pedal (not included) for more authentic piano performances.

Audio playback takes place through two integrated 5 Watt speakers.

The compactness, the possibility of battery operation and the easy transportability thanks to the handle integrated in the cabinet, make this keyboard an instrument oriented towards scholastic use as well.

The result of all the features is to have a good keyboard with an excellent value in its market segment.
