

## BLACKPORT-80BTRW

# BATTERY POWERED PA SYSTEM WITH TROLLEY, VHF WIRELESS MICROPHONE, BLUETOOTH™, MP3 PLAYER AND REVERB

Dedicated to all those who need maximum portability and are constantly "on the road", the BLACKPORT-80BTRW is a battery-powered 80W max. PA system, featuring built-in 4-channel mixer, VHF wireless microphone, reverb, Bluetooth™ and MP3 player with SD-Card and USB slots. Battery life is 6 hours at full volume and with fully charged batteries. Its lightweight and rugged construction combined with the extremely useful trolley, make it an ideal tool in all "on the fly" situations such as parties, one-man band gigs, and small PA needs, without risks of damage but with good performance in terms of power and audio quality.
