JAZZ-ROOT H VSB

DOUBLE CUTAWAY SEMI-ACOUSTIC GUITAR W/HUMBUCKERS

With the **JAZZ ROOT** series Soundsation takes us back to the sound and feel of the **semi-hollow body** guitars that have written some of the best pages in music history. Quality craftmanship, hi-level **made in Korea** hardware and careful set-up for guitars conceived to satisfy even the most advanced guitarist.

Available in two versions: **JAZZ ROOT H in maple with humbuckers** and **JAZZ ROOT P in sapele mahogany with single coils**.

HIGHLIGHTS

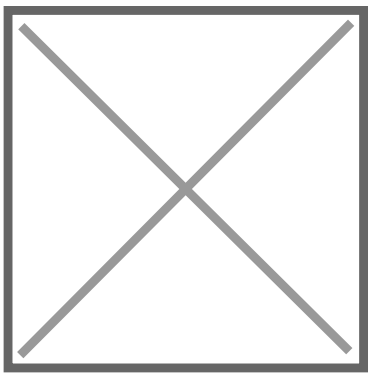

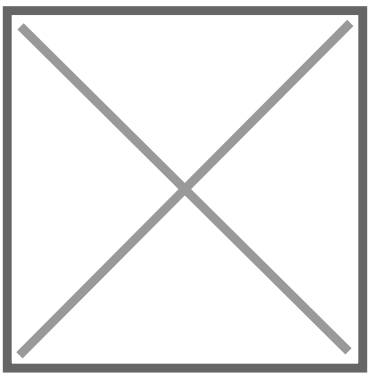

FAR BEYOND THE ENTRY LEVEL

Liuthery, details and tone: JAZZ ROOT brings them all together in a high-value instrument designed to satisfy intermediate and more experienced players.

A GREAT CHOICE FOR BLUES, JAZZ, ROCKABILLY AND MUCH MORE

The two Soundsation Custom SCH humbuckers in synergy with the independent volume/tone controls and 3-position switch give you a mellow, present tone perfect for blues, jazz, rockabilly riffs & licks.

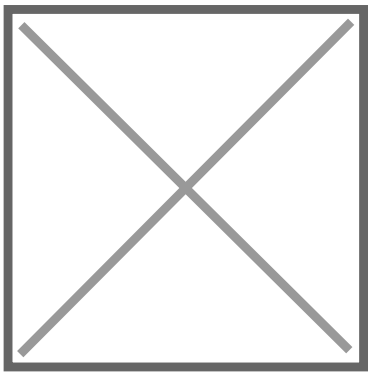

MADE IN KOREA HIGH QUALITY HARDWARE

Both machines heads and bridge are made in Korea for a better looking, reliability and overall value.

A WIDE RANGE OF FINISHES

You can pick your favourite JAZZ ROOT H among 8 different glossy finishes: Cherry Red, Vintage Sunrburst, Brown Sunburst, Tobacco Brown, Antique Natural, Cherry Sunburst, Vintage White, Jungle Green.
