GOLDEN MELODY CLASSIC HARMONICA - TUNING C >DO

Harmonica, a natural globetrotter in all kinds of music: Rock, Pop, Jazz, Blues, Folk, Classic and much more! The harmonica is nowadays popular in almost every music style, and Hohner, the world's biggest manufacturer of quality harmonicas, is proud to be a supplier of high quality instruments for exactly 150 years now. To continue this tradition we are investing constantly in research and development. Sporting a retro 50s look and feel, the Golden Melody is especially designed for sweet melody playing, but still brings down the house on those boogie, blues and rock gigs. One of our best selling professional models, it is a favorite of Howard Levy and Carlos Del Junco. This model has equal tempered, standard diatonic tuning and a red plastic body for air tight construction. All major keys available.
