Piccolo flute is the highest pitched instrument in the orchestra. With brilliant sound, it's pitched an octave higher than the regular flute. SFP-10 body is built in ABS, offering a similar sound to the wooden version but with longer durability and higher resistance to damages. The head and keys are nickel made with silver plated finish. The E-split mechanism facilitates the execution. SFP-10 is the perfect choice both for students and seasoned players who are looking for a piccolo flute to play in specific situations.
