

SSP10-15P

200W 2 WAY PASSIVE SPEAKER WITH 15" WOOFER

Soundsation SSP10 series represent a reliable and versatile solutions for your sound amplification needs. Polypropylene cabinet, compared to wood ones, is much lighter and also offers great performances both in terms of resistance and sound quality. SSP-10 is suited in many applications, both in fixed installation or mobile: schools, conferences, pubs, restaurants, home studios, small concerts or events. With a special cabinet design, it can be placed horizontally as a stage monitor too. SSP10 is the versatile and reliable solution for your amplification needs.
