ESTUDIO ST 44AG

4/4 CLASSIC GUITAR WITH SPRUCE TOP - GLOSSY

The Toledo **ESTUDIO ST** classical guitars are designed both for the beginner who wants more than just an entry level, and for the intermediate guitarist who needs a valuable companion on his or her journey into the world of music. The **build quality**, the choice of **rosewood** for the bridge and fretboard and the general **set-up** place it in a privileged position in its market segment. Available in glossy or satin finish and in different sizes.

HIGHLIGHTS

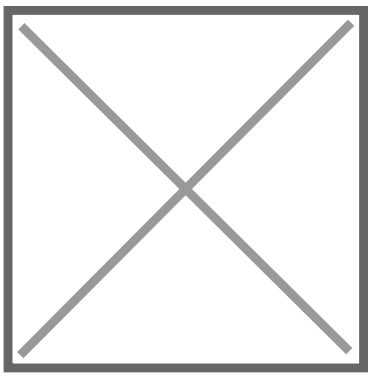

QUALITY OF WOODS AND MATERIALS

Spruce top, mahogany back and sides, rosewood bridge and fingerboard. The choice of woods and materials was oriented toward aesthetics and tonal quality.

ACCURATE SET UP

The careful set up of the ESTUDIOs is devoted to playability, an indispensable feature to face practice with serenity and comfort. You can in any case adjust the neck tension by acting on the two-way truss rod, finding the set up that best suits your playing.
