MILESTONE-PRO GT90

ARCH TOP CUTAWAY ELECTRIC GUITAR WITH P-90 STYLE HUMBUCKERS AND SET-IN NECK

The Milestone-PRO GT90 is designed for those who want to explore the legendary realms of blues and rock with an instrument that has a strong character. With its archtop body, set-in mahogany neck, two P-90 style pickups, and refined gold finish, the Milestone GT P90 is a guitar that excels in both looks and sound, designed for the savvy guitarist who knows exactly what they are looking for.
