

BARK-HB TBK

ELECTRIC GUITAR W/ WILKINSON HUMBUCKERS AND SELF LOCKING TUNERS

BARK-HB is a guitar ready to catapult you into rougher territories, without forgetting the more classic ones. Roaring when you need it, gentle on command, BARK-HB is equipped with **splittable Wilkinson Humbuckers**, **self-locking tuners** and graced with an **ash top** to hit the mark from the first glance.

HIGHLIGHTS

ASH TOP WITH TRANSPARENT FINISH

The clear finish enhances the grain of the ash top for a look that is striking from the first glimpse.

EQUIPPED BY WILKINSON®

Wilkinson® splittable humbuckers add even more value and versatility to range from genre to genre while always nailing the right tonal nuance.

SELF LOCKING TUNERS

Fast restringing and stabler tuning.
