POCKETLIVE 630

PERSONAL PA SYSTEM WITH UHF WIRELESS MICROPHONE

POCKETLIVE 630

Bring the Sound Anywhere You Go

Take your sound wherever the party happens with this **compact Class-D powered speaker** delivering up to **100 watts of punchy, crystal-clear sound**. The built-in **rechargeable lithium battery** keeps the music going for **4 hours of non-stop playtime**, so you're never tied to an outlet.

Feel the sound from the **6.5-inch woofer**, perfect for playing with rich, dynamic audio. Grab the included **UHF wireless handheld microphone** and you're ready to perform, host, or hype the crowd – no tangled cables, no limits.

Need to plug in another mic or instrument? No problem; there's a **Mic/Line input** ready for you. You can also stream your favorite tracks via **Bluetooth**, play music straight from a **USB drive**, or tune in to your favorite radio station with the **built-in tuner player**.

Whether it's a street jam, backyard party, or spontaneous performance, this speaker gives you **the freedom, power, and sound** to keep the vibe alive anywhere.
