SFTC205-B BG

DELUXE SOFTCASE FOR BASS GUITAR

Soundsation SFTC205 soft cases feature a reinforcing 5 mm PE board and 20 mm EPE, providing excellent overall protection of 25 mm. They combine sturdiness and comfort with a fresh design and waterproof material, protecting your instruments in any conditions and offering all the portability you need with adjustable straps and a padded handle. Available in a wide range of sizes for guitars and basses.
