ICHOS BK

HOME DIGITAL PIANO WITH HAMMER ACTION KEYS

ICHOS BK

SOUNDSATION expands its line of musical instruments with the new ICHOS digital piano, an excellent choice for both entry-level players and experienced pianists.

Equipped with 238 high-quality sounds and 200 styles, it allows you to play a wide range of musical genres.

This digital piano has a "Hammer Action" keyboard that, combined with a realistic piano sound and 189-note polyphony, gives the feeling of playing a real classical piano.

ICHOS is designed with the goal of providing the user with all the functions necessary for learning as well as for studio and live performances.

It offers several performance modes, such as DUAL, which allows you to simultaneously play two sounds across the entire keyboard, or LOWER mode, which allows you to play one sound for the right hand and one for the left.

The ICHOS digital piano's sound system, thanks to its two built-in speakers, delivers a rich yet delicate sound, adding to the unique charm of this instrument.

The ICHOS BK digital piano features a compact and elegant design and, thanks to its black finish, becomes an elegant furnishing accessory.

HIGHLIGHTS

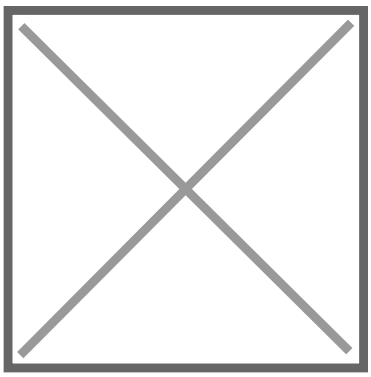

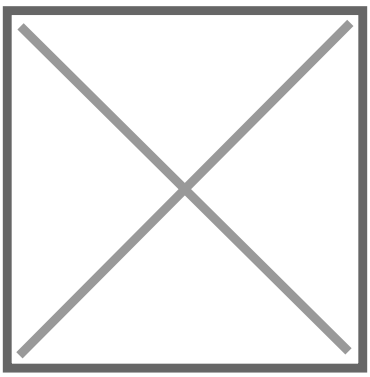

KEYBOARD

“Hammer action” weighted keyboard for top-level musical experiences.

POLYPHONY

The “Hammer Action” keyboard combined with a realistic piano sound and a polyphony of 189 voices, gives the impression of playing a real classical piano.

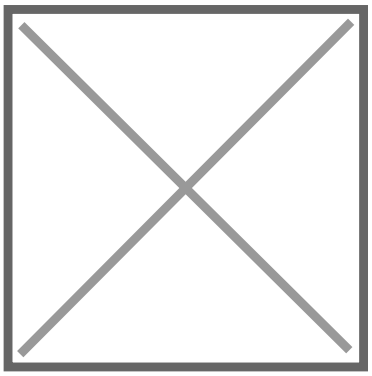

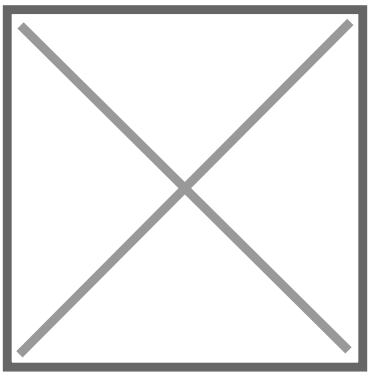

SOUNDS AND STYLES

Equipped with 238 high-quality sounds and 200 styles, it allows you to play a wide range of musical genres.

DUAL AND LOWER FUNCTIONS

It offers different performance modes such as DUAL with which you can have two sounds simultaneously for the entire keyboard range, or the LOWER mode with which you can have one sound for the right part and one for the left part of the keyboard.

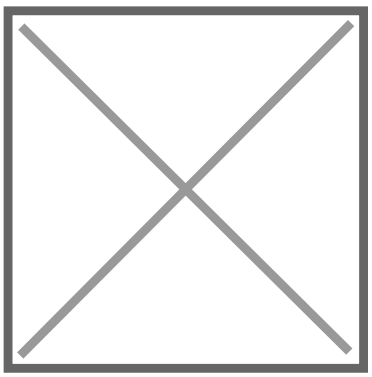

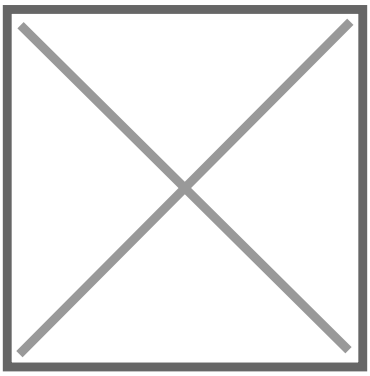

RECORDING AND PLAYING A SONG

The ICHOS digital piano is equipped with song recording and playback functions.

USB MIDI-AUDIO

The included USB MIDI-AUDIO function allows you to record your performance directly to a computer or smartphone without the need for an additional interface.

DESIGN AND FINISHES

The ICHOS digital piano features a compact and elegant design and, thanks to the black, white, rosewood and birch finishes, becomes an elegant furnishing accessory.
