WF-U400 RACK KIT1

19” 1U RACK-MOUNT KIT FOR WF-U402 OR WF-U404 WIRELESS SYSTEMS

This kit contains everything needed to mount a WF-U402 (2-channel) or WF-U404 (4-channel) wireless system receiver into a 19” 1U rack space.

The kit includes 2 “L” brackets (one short and one long), coaxial cables and connectors to relocate the receiver’s two antennas to the front panel, and the necessary mounting screws.

WF-U400 RACK KIT1
