

MH-500 PRO

High-Grade Closed-Back Studio Headphones

Lightweight yet robust construction to achieve maximum comfort and high-attenuation of background noise. The MH-500 Pro is a dynamic professional grade stereo headphone for any monitoring purpose, even for long-lasting sessions. The 50 mm high-definition membrane offers wide dynamic range and clear sound to detect any details. The result is a professional tool extremely useful to musicians, sound engineers and audio editing technicians who need to explore all the sound content without adding or cutting anything from the original sound.

KEY FEATURES

High ambient noise attenuation

Accurate and linear sound reproduction

Unique professional design, lightweight and durable

Auto-adjusting headband with superior comfort for extended use

Closed-back design to achieve best monitoring

50mm membrane high-definition driver with wide dynamic range

Low-impedance, high-sensitivity, compatible with all headphone outputs
