

RIDER-PRO-MSH 3TS

Double cutaway electric guitar with 2 single coils + splittable humbucker and self-locking tuners (Wilkinson equipped, maple fretboard)

The beauty and the resonance of the ash, the original Wilkinson pick ups and bridge, the hi-quality made in Taiwan self locking machines heads and the meticulous set-up: the RIDER PRO series is a super classic revisited with style and character. The Wilkinson bridge means stability and reliability while Wilkinson single coils in conjunction with the splittable humbucker deliver that tone which became a trademark in music history.
